Administration: 0207 359 8581
Email: info@littleangeltheatre.com
Web: www.littleangeltheatre.com

ARRIVAL AT THE THEATRE

- Please arrive at the theatre at least 10 minutes before the performance.
- Unfortunately we have very limited toilet facilities so please allow extra time if your journey means children will need to use the toilet before the performance.
- If you are held up in traffic or on public transport, please call the theatre as soon as possible on 020 7226 1787 to let us know.
- If travelling by coach, please do not attempt to drive down Dagmar Terrace as there is a low archway where the road joins Cross Street and the coach will not get through. **If travelling south**, the safest place to drop off is in front of St Mary's Church on Upper Street. There is a cut through the church yard to the right of the church which brings you out by the theatre. **If travelling north**, ask the driver to stop on Essex Road and walk the children up Dagmar Terrace.
- In fine weather, there is a small park at the back of St Mary's Church next to the theatre where the children can eat packed lunches.

PAYMENT

- Please check the details of your invoice/booking confirmation carefully and call 020 7226 1787 if you have any questions.
- All tickets booked must be paid for in full **before the day of the performance**.

Please note no additional adults or children will be admitted to the auditorium unless tickets have been pre-booked and paid for.

HEALTH AND SAFETY

You are welcome to visit the theatre before your trip to carry out a risk assessment – please email david@littleangeltheatre.com to arrange a time.

We look forward to your visit.

Best wishes,

All at the Little Angel Theatre
